

REGULATION OF THE MINISTER AGRICULTURE OF
THE REPUBLIC OF INDONESIA
NUMBER 11 OF 2026
ON
THE IMPORT AND EXPORT OF FEED INGREDIENTS OF PLANT ORIGIN
INTO AND FROM THE TERRITORY OF THE REPUBLIC OF INDONESIA
BY THE GRACE OF GOD ALMIGHTY
THE MINISTER OF AGRICULTURE OF THE REPUBLIC OF INDONESIA,

- Considering : a. that to ensure that feed ingredients of plant origin imported from and exported into the territory of the Republic of Indonesia must meet the technical and administrative requirements for feed ingredients of plant origin;
- b. that regulations regarding the requirements for the import and export of feed ingredients of plant origin have been stipulated in Regulation of the Minister of Agriculture Number 57/Permentan/PK.110/11/2015 on the Import and Export of Feed Ingredients of Plant Origin into and from the Territory of the Republic of Indonesia and Regulation of the Minister Number 15 of 2021 on Business Activity Standards and Product Standards in the Implementation of Risk-Based Business Licensing in the Agricultural Sector;
- c. that based on the considerations as referred to in letter a and letter b, it has been deemed necessary to establish Regulation of the Minister of Agriculture on the Import and Export of Feed Ingredients of Plant Origin into and from the Territory of the Republic of Indonesia;
- Observing : 1. Article 17 paragraph (3) of the 1945 Constitution of the Republic of Indonesia;
2. Law Number 39 of 2008 on State Ministries (State Gazette of the Republic of Indonesia of 2008 Number 166, Supplement to the State Gazette of the Republic of Indonesia Number 4916) as amended by Law Number 61 of 2024 on the Amendment to Law Number 39 of 2008 on State Ministries (State Gazette of the Republic of Indonesia of 2024 Number 225, Supplement to the State Gazette of the Republic of Indonesia Number 6994);

3. Regulation of the President Number 192 of 2024 on the Ministry of Agriculture (State Gazette of the Republic of Indonesia of 2024 Number 389);
4. Regulation of the Minister of Agriculture Number 02 of 2025 on the Organization and Work Procedures of the Ministry of Agriculture (Official Gazette of the Republic of Indonesia of 2025 Number 14) as amended by Regulation of the Minister of Agriculture Number 30 of 2025 on the Amendment to Regulation of the Minister of Agriculture Number 02 of 2025 on the Organization and Work Procedures of the Ministry of Agriculture (Official Gazette of the Republic of Indonesia of 2025 Number 884);

HAS DECIDED:

To establish : REGULATION MINISTER AGRICULTURE ON THE IMPORT AND EXPORT OF FEED INGREDIENTS OF PLANT ORIGIN INTO AND FROM THE TERRITORY OF THE REPUBLIC OF INDONESIA.

CHAPTER I GENERAL PROVISIONS

Article 1

Under this Regulation of the Minister, the following definitions are employed:

1. Feed ingredients are agricultural, fishery, livestock, or other materials suitable for use as Feed, whether processed or unprocessed.
2. Feed Ingredients of Plant Origin are plant-derived ingredients, whether processed or unprocessed, used to make Feed.
3. Feed is a single or mixed food ingredient, whether processed or unprocessed, given to animals for their survival, production, and reproduction.
4. Import is the activity of bringing Feed Ingredients of Plant Origin from abroad into the territory of the Republic of Indonesia.
5. Export is the activity of removing Feed Ingredients of Plant Origin from the territory of the Republic of Indonesia to another country.
6. Country of Origin of Import, from this point onwards is referred to as Country of Origin, is the country that produces Feed Ingredients of Plant Origin.
7. Import Permit is a written statement issued to a Business Actor to bring Feed Ingredients of Plant Origin from abroad into the territory of the Republic of Indonesia.
8. Letter of Consideration for Determining the Requirements Plan (Surat Pertimbangan Penetapan Rencana Kebutuhan), from this point onwards is abbreviated as SPP-RK, is a letter of consideration used as a requirement to obtain import approval from the minister responsible for government affairs in the trade sector.

9. Export Permit is a written statement given to a Business Actor to remove Feed Ingredients of Plant Origin from the territory of the Republic of Indonesia to foreign countries.
10. Customs Territory is the territory of the Republic of Indonesia, encompassing land, water, and the airspace above it, as well as certain locations in the exclusive economic zone and continental shelf where the Customs Law applies.
11. Business Identification Number (Nomor Induk Berusaha), from this point onwards is abbreviated as NIB, is the identity of a Business Actor issued by the OSS Agency after the Business Actor has registered.
12. Packaging is the container used to package or wrap Feed Ingredients of Plant Origin, whether in direct or indirect contact.
13. Label is an information regarding Feed Ingredients of Plant Origin in the form of writing, a combination of images and writing, or other forms containing information about Feed Ingredients of Plant Origin and information from the Business Actor, as well as other information included on Feed Ingredients of Plant Origin and/or as part of Feed Ingredients of Plant Origin Packaging.
14. Days are business days as determined by the Central Government.
15. Minister is the minister responsible for government affairs in the agricultural sector.
16. Director General of Animal Husbandry and Animal Health, from this point onwards is referred to as Director General, is a middle-leadership official who carries out duties and functions in the field of animal husbandry and animal health.
17. Head of the Center for Plant Variety Protection and Agricultural Licensing (Kepala Pusat Pelindungan Varietas Tanaman dan Perizinan Pertanian), from this point onwards is referred to as the Head of PPVTPP, is a first-class high-leadership official within the Ministry of Agriculture who carries out duties and functions in the field of agricultural licensing.
18. Business Actors are individuals or business entities conducting business and/or activities in the fields of agriculture, animal feed ration industry, animal feed concentrate industry, and agricultural product trading.
19. General Importers are Business Actors who import Feed Ingredients of Plant Origin for the purpose of trading.
20. Producer Importers are Business Actors who already have a Feed Registration Number and/or are Feed producers integrated with cultivation.

CHAPTER II

IMPORT OF FEED INGREDIENTS OF PLANT ORIGIN

Division One
General

Article 2

- (1) Import of Feed Ingredients of Plant Origin must be for the manufacture of Feed.
- (2) Business Actors carrying out import must have:
 - a. an Import Permit; or
 - b. an SPP-RK, before the Feed Ingredients of Plant Origin enter the Customs Area.
- (3) The types of Feed Ingredients of Plant Origin whose import is regulated for the issuance of an Import Permit as referred to in paragraph (2) letter a are in accordance with the tariff post/Harmonized System (HS) code, description of goods, and specifications or information listed in Appendix I letter A, which constitutes an integral part of this Regulation of the Minister.
- (4) The types of Feed Ingredients of Plant Origin whose import is regulated for the issuance of an SPP-RK as referred to in paragraph (2) letter b are in accordance with the tariff post/Harmonized System (HS) code, description of goods, and specifications or information listed in Appendix I letter B, which constitutes an integral part of this Regulation of the Minister.
- (5) In the event of a change in tariff posts/Harmonized System (HS) codes as referred to in paragraph (3) and paragraph (4), the correlation with the latest HS code shall be used in accordance with the provisions of laws and regulations.
- (6) Feed Ingredients of Plant Origin imported as referred to in paragraph (1) shall arrive in the Customs Territory as evidenced by customs notification documents.

Article 3

- (1) The Import Permit and SPP-RK as referred to in Article 2 paragraph (2) shall be issued by the Minister.
- (2) SPP-RK as referred to in paragraph (1) shall be used as a requirement to obtain import approval in accordance with the provisions of laws and regulations governing import policies and regulations.
- (3) The Minister shall mandate the issuance of the Import Permit and SPP-RK as referred to in paragraph (1) to the Director General.

Article 4

- (1) The types of Feed Ingredients of Plant Origin as referred to in Article 2 paragraph (4) that are required to have an SPP-RK and import approval shall comply with the provisions of laws and regulations governing import policies and regulations.
- (2) The amount and allocation of Import of Feed Ingredients of Plant Origin as referred to in paragraph (1) are proposed by the Minister.

- (3) The proposal by the Minister as referred to in paragraph (2) is discussed and determined in a coordination meeting attended by the minister/head of a non-ministerial government agency or an official\ appointed to represent the person who is given authority for and on behalf of the minister/head of a non-ministerial government agency.

Article 5

Business Actors as referred to in Article 2 paragraph (2) must meet the following requirements:

- a. technical; and
- b. administrative.

Division Two Import Requirements

Subdivision 1

Technical Requirements for Issuing Import Permits

Article 6

The technical requirements as referred to in Article 5 letter a include:

- a. Country of Origin;
- b. quality and safety of Feed Ingredients of Plant Origin; and
- c. Packaging and Label.

Article 7

- (1) Fulfillment of the Country of Origin requirements as referred to in Article 6 letter a is evidenced by a Certificate of Origin (CoO).
- (2) The Certificate of Origin as referred to in paragraph (1) shall contain at least the following information:
 - a. type of Feed Ingredients of Plant Origin;
 - b. quantity of Import;
 - c. name of producer or exporter; and
 - d. Country of Origin.

Article 8

- (1) The quality and safety requirements for Feed Ingredients of Impor Origin as referred to in Article 6 letter b include compliance with the requirements based on Indonesian National Standards.
- (2) If an Indonesian National Standard as referred to in paragraph (1) does not yet exist, fulfillment of the requirements is based on the minimum technical requirements.
- (3) If the minimum technical requirements as referred to in paragraph (2) do not yet exist, fulfillment of the requirements is carried out through testing of Feed Ingredients of Plan Origin based on the following minimum test parameters:
 - a. moisture content;
 - b. ash content;

- c. crude protein;
 - d. crude fat; and
 - e. crude fiber.
- (4) The minimum technical requirements as referred to in paragraph (2) are determined by the Minister.
 - (5) Fulfillment of the requirements as referred to in paragraph (1), paragraph (2), or paragraph (3) is proven by the results of quality and safety tests of Feed Ingredients of Plant Origin in a Certificate of Analysis (CoA) or Certificate of Quality (CoQ) from an authority or independent institution in the Country of Origin for each Import.

Article 9

- (1) The Packaging requirements as referred to in Article 6 letter c must be authentic from the Country of Origin and sealed.
- (2) The seal as referred to in paragraph (1) must be carried out under the following conditions:
 - a. installation by an authorized official in the Country of Origin;
 - b. clearly numbered; and
 - c. remaining intact until arrival at the point of entry in the territory of the Republic of Indonesia.

Article 10

The Label requirements referred to in Article 6 letter c must include, at a minimum, information regarding:

- a. type of Feed Ingredients of Plant Origin;
- b. name of producer or exporter;
- c. Country of Origin; and
- d. net weight or net volume.

Article 11

- (1) Compliance with the Label requirements as referred to in Article 10 must be carried out under the following conditions:
 - a. affix Labels on or in the Packaging of Feed Ingredients of Plant Origin; and
 - b. must use or complete Labels in Indonesian language in accordance with the provisions of laws and regulations.
- (2) The Label as referred to in paragraph (1) must include, at a minimum, information regarding:
 - a. type of Feed Ingredients of Plant Origin;
 - b. name of producer or exporter;
 - c. Country of Origin; and
 - d. net weight or net volume.

Article 12

Packaging and Label Requirements as referred to in Article 9 and Article 10 are exempt for Feed Ingredients of Plant Origin loaded on bulk carriers.

Subdivision 2
Technical Requirements for Issuing a Letter of Consideration
for Determining the Requirements Plan

Article 13

The technical requirements as referred to in Article 5 letter a include:

- a. Quantity of Feed Ingredients of Plant Origin proposed for import by the Business Actor; and
- b. Country of Origin.

Subdivision 3
Administrative Requirements for Issuing an Import Permit

Article 14

- (1) The administrative requirements as referred to in Article 5 letter b include:
 - a. NIB;
 - b. Identity of the company leader or the company leader's proxy (Resident Identity Card/Passport);
 - c. Taxpayer Identification Number;
 - d. Company deed of establishment and its latest amendments;
 - e. Company profile for Import according to Format 1.1;
 - f. application letter in accordance with Format 1.2;
 - g. duty-stamped statement stating that the Import is only for the manufacture of Feed in accordance with Format 1.3;
 - h. duty-stamped statement stating the commitment to provide a valid storage warehouse to maintain the quality and safety of Feed Ingredients of Plant Origin, in accordance with Format 1.4; and
 - i. distribution plan for Feed Ingredients of Plant Origin in accordance with Format 1.5;
 - j. duty-stamped statement stating that the submitted documents are true and valid, in accordance with Format 1.6;
 - k. invoice;
 - l. Certificate of Origin (CoO);
 - m. quality and safety test results for Feed Ingredients of Plant Origin (Certificate of Analysis or Certificate of Quality);
 - n. detailed information on the goods shipped (Packing List); and
 - o. Certificate of Weight.
- (2) The required documents as referred to in paragraph (1) letter h are valid for a period of 3 (three) months.
- (3) The required documents referred to in paragraph (1) letter i are exempt for Business Actors holding an NIB that serves as the Producer Importer Identification Number (API-P).

- (4) The required documents as referred to in paragraph (1) letter k through letter o must have the same reference number and demonstrate the interrelationship between the documents.
- (5) Detailed information on the goods shipped (Packing List) as referred to in paragraph (1) letter n contains information regarding:
 - a. type of Feed Ingredients of Plant Origin;
 - b. container number;
 - c. name of producer or exporter;
 - d. Country of Origin; and
 - e. net weight/net volume.
- (6) Information regarding the container number as referred to in paragraph (5) letter b is exempt for Feed Ingredients of Plant Origin loaded on bulk carriers.
- (7) If there are changes to the administrative requirements as referred to in paragraph (1) letter a through letter j, Business Actors must update the administrative requirements.

Subdivision 4
Administrative Requirements for Issuing a Letter of
Consideration for Determining the Requirements
Plan

Article 15

- (1) The administrative requirements as referred to in Article 5 letter b include:
 - a. NIB;
 - b. identification of the company leader or the company leader's proxy (Resident Identity Card/Passport);
 - c. Taxpayer Identification Number;
 - d. company deed of establishment and its latest amendments;
 - e. company profile for Import in accordance with Format 1.1;
 - f. Import application letter in accordance with Format 1.2.1;
 - g. duty-stamped statement stating that Import is only for the manufacture of Feed in accordance with Format 1.3;
 - h. duty-stamped statement stating the commitment to provide a valid storage warehouse to maintain the quality and safety of Feed Ingredients of Plant Origin, in accordance with Format 1.4
 - i. distribution plan for Feed Ingredients of Plant Origin in accordance with Format 1.5;
 - j. duty-stamped statement stating that the submitted documents are true and valid, in accordance with Format 1.6; and

- k. statement of commitment to meet the quality and safety requirements for Feed Ingredients of Plant Origin in accordance with Format 1.7.
- (2) The required documents as referred to in paragraph (1) letter i are exempt for Business Actors holding a NIB that serves as the Producer Importer Identification Number (API-P).
- (3) If there are changes to the administrative requirements as referred to in paragraph (1) letter a to letter j, the Business Actors must update the administrative requirements.
- (4) Format 1.1 to Format 1.7 as referred to in paragraph (1) are listed in Appendix II, which constitutes an integral part of this Regulation of the Minister.

CHAPTER III EXPORT OF FEED MATERIALS INGREDIENTS OF PLANT ORIGIN

Division One General

Article 16

- (1) Export of Feed Ingredients of Plant Origin is intended for the manufacture of Feed.
- (2) Export as referred to in paragraph (1) shall be carried out by Business Actors.
- (3) If required by the destination country, Export as referred to in paragraph (2) shall be carried out after obtaining an Export Permit from the Minister.
- (4) The Minister shall mandate the issuance of the Export Permit as referred to in paragraph (3) to the Director General.

Article 17

Feed Ingredients of Plant Origin to be exported as referred to in Article 16 must meet the following requirements:

- a. technical; and
- b. administrative.

Division Two Export Requirements

Subdivision 1 Technical Requirements

Article 18

- (1) Fulfillment of the technical requirements as referred to in Article 17 letter a shall be proven by a Certificate of Analysis (CoA) or Certificate of Quality (CoQ) document.
- (2) The Certificate of Analysis (CoA) or Certificate of Quality (CoQ) document as referred to in paragraph (1) is issued

- by a laboratory that provides testing and analysis services in the field of Feed Ingredients or Feed.
- (3) The test parameters listed in the Certificate of Analysis (CoA) or Certificate of Quality (CoQ) as referred to in paragraph (1) must at least meet the requirements of the Indonesian National Standard and/or the parameters required by the destination country.
 - (4) If the technical requirements as referred to in paragraph (1) are met, the following conditions apply:
 - a. if there is no Indonesian National Standard, the test parameters as referred to in paragraph (3) shall refer to the Minimum Technical Requirements stipulated by the Minister and/or the parameters required by the destination country; or
 - b. if there are no Minimum Technical Requirements, testing shall be conducted with the minimum test parameters of moisture content, ash content, crude protein, crude fat, and crude fiber and/or the parameters required by the destination country.
 - (5) The test parameters listed in the Certificate of Analysis (CoA) or Certificate of Quality (CoQ) as referred to in paragraph (1) must at least meet the requirements in paragraph (3) and paragraph (4).

Subdivision 2 Administrative Requirements

Article 19

- (1) The administrative requirements as referred to in Article 17 letter b include:
 - a. NIB;
 - b. company profile , in accordance with Format 1.1; and
 - c. Export Permit application letter, in accordance with Format 1.2.2.
- (2) The administrative requirements as referred to in paragraph (1) letter a and letter b are submitted when applying for the Export Permit for the first time.
- (3) If there are changes to the administrative requirements as referred to in paragraph (2), the Business Actor must update the administrative requirements.
- (4) The administrative requirements as referred to in paragraph (1) letter c are submitted with each Export Permit application.
- (5) Format 1.1 and Format 1.2.2 as referred to in paragraph (1) are listed in Appendix II, which constitutes an integral part of this Regulation of the Minister.

CHAPTER IV PROCEDURES FOR OBTAINING IMPORT PERMITS, LETTER OF CONSIDERATION FOR DETERMINING THE REQUIREMENTS PLAN, AND EXPORT PERMITS

Division One
Procedures for Obtaining Import Permits and Letter of
Consideration for Determining the Requirements Plan

Subdivision 1
General

Article 20

Business Actors shall submit:

- a. an application for an Import Permit as referred to in Article 2 paragraph (2) letter a through the Ministry of Agriculture's electronic system; or
- b. an application for an SPP-RK as referred to in Article 2 paragraph (2) letter b through SINAS NK, which is forwarded to the Ministry of Agriculture's electronic system.

Article 21

- (1) Applications for the issuance of Import Permits and SPP-RK as referred to in Article 20 are verified by the Ministry of Agriculture's work units.
- (2) The work units as referred to in paragraph (1) include:
 - a. PPVTPP; and
 - b. work units of the Directorate General of Animal Husbandry and Animal Health, in accordance with the type and level of verification.
- (3) The type and level of verification as referred to in paragraph (2) shall include:
 - a. checking the completeness, accuracy, and validity of administrative requirements; and
 - b. technical administrative review.

Subdivision 2
Import Permit Applications

Article 22

- (1) Business Actors shall submit Import Permit applications as referred to in Article 20 letter a to the Director General online through the Head of the PPVTPP.
- (2) Import Permit applications as referred to in paragraph (1) must be accompanied by the technical requirements as referred to in Article 6 and the administrative requirements as referred to in Article 14.
- (3) In the event of force majeure and/or system disruptions resulting in the inoperability of the online services as referred to in paragraph (1), Import Permit services may be processed manually.
- (4) The submission of Import Permit applications as referred to in paragraph (1) will be processed after the Business Actors have paid the Non-Tax State Revenue in accordance with the provisions of laws and regulations.

Article 23

- (1) After receiving the application as referred to in Article 22 paragraph (1), the Head of the PPVTPP shall verify the completeness and accuracy of the administrative requirements.
- (2) Verification as referred to in paragraph (1) to check the completeness and accuracy of administrative requirements shall be conducted within a maximum of 1 (one) Day.

Article 24

If the results of the verification of the completeness and accuracy of administrative requirements as referred to in Article 23 state:

- a. incomplete or incorrect, the application is rejected; or
- b. complete and correct, the application is accepted.

Article 25

If the application is rejected as referred to in Article 24 letter a, the Head of the PPVTPP shall submit it to the Business Actor, along with the reasons for the rejection, online.

Article 26

- (1) If the application is accepted as referred to in Article 24 letter b, the Head of the PPVTPP shall submit it to the Director General online.
- (2) After receiving the application as referred to in paragraph (1), the Director General shall conduct a technical requirements review.
- (3) The technical requirements review as referred to in paragraph (2) to verify compliance and conformity with the technical requirements shall be conducted within a maximum of 5 (five) Days.

Article 27

If the results of the technical requirements review as referred to in Article 26 paragraph (3) state:

- a. not in compliance or not in conformity, the application shall be revised; or
- b. in compliance or in conformity, the application is accepted.

Article 28

- (1) The Director General shall submit the revised application as referred to in Article 27 letter a to the Business Actor, along with the reasons for the revision, online.
- (2) The Business Actor as referred to in paragraph (1) shall be given three (3) opportunities to revise the requirements within a maximum of three (3) Days.
- (3) Applications that have exceeded the time period as referred to in paragraph (2) shall be rejected.

- (4) Import Permit Applications that have been rejected as referred to in paragraph (3) may be resubmitted by the Business Actor as a new application.

Article 29

- (1) If the application is accepted as referred to in Article 27 letter b, an Import Permit shall be issued by the Director General on behalf of the Minister in the form of a decree.
- (2) The Import Permit as referred to in paragraph (1) shall contain at least the following information:
 - a. the Import Permit number and date of issuance;
 - b. the number and date of the application letter;
 - c. NIB, name, Taxpayer Identification Number (NPWP), and address of the applicant;
 - d. Country of Origin;
 - e. Type and quantity of Feed Ingredients of Plant Origin in Metric Tons (MT);
 - f. Tariff post/Harmonized System (HS) code;
 - g. Port of loading and unloading port; and
 - h. Validity period of the Import Permit.

Article 30

The Import Permit as referred to in Article 29 shall be submitted by the Director General through the Head of the PPVTPP to the Business Actor online within a maximum of 1 (one) Day.

Article 31

- (1) The Import Permit as referred to in Article 30 is valid for 3 (three) months from the date the permit is established.
- (2) The Import Permit as referred to in paragraph (1) may not be transferred to another party.
- (3) Import must be carried out during the validity period of the Import Permit as referred to in paragraph (1).

Article 32

- (1) When submitting an Import Permit application, Business Actors must pay attention to the application submission time, the processing time for issuing the permit as referred to in Article 22 to Article 30, and the arrival time of the Feed Ingredients of Plant Origin in the Customs Territory.
- (2) Business Actors must carry out Import:
 - a. in accordance with the types specified in the issued Import Permit;
 - b. not exceeding 5% (five percent) of the amount specified in the issued Import Permit; and
 - c. in accordance with the port of loading and unloading ports specified in the issued Import Permit.
- (3) Business Actors are required to include the number and date of the Import Permit in the import customs notification document for each entry.

Subdivision 3
Request for a Letter of Consideration for Determining the
Requirements Plan

Article 33

- (1) The application for the SPP-RK as referred to in Article 20 letter b shall be submitted by the Business Actor to the Director General through SINAS NK, which will then be forwarded to the Ministry of Agriculture's electronic system.
- (2) The application for issuance of the SPP-RK as referred to in paragraph (1) shall contain detailed data and information in accordance with the technical requirements as referred to in Article 13 and the administrative requirements as referred to in Article 15.
- (3) In the event of force majeure and/or system disruption resulting in the inoperability of the online service as referred to in paragraph (1), the application for issuance of the SPP-RK may be processed manually.
- (4) The application for issuance of the SPP-RK as referred to in paragraph (1) shall be processed after the Business Actor has made payment of Non-Tax State Revenue in accordance with provisions of laws and regulations.

Article 34

- (1) The Minister shall establish standard operating procedures and service commitments for the verification of applications for the issuance of SPP-RK.
- (2) The Minister, as referred to in paragraph (1), shall delegate the authority to establish standard operating procedures and service commitments for the verification at the work units of the Directorate General of Animal Husbandry and Animal Health to the Director General.

Article 35

- (1) The PPVTPP as referred to in Article 21 paragraph (2) letter a shall conduct an administrative audit.
- (2) The administrative audit as referred to in paragraph (1) shall be conducted within a maximum of 1 (one) business day to ensure the completeness, accuracy, and validity of the SPP-RK issuance application.

Article 36

- (1) If the results of the administrative audit as referred to in Article 35 are incomplete, incorrect, or invalid according to the administrative requirements, the SPP-RK issuance application shall be rejected.
- (2) The rejection of the SPP-RK issuance application as referred to in paragraph (1) shall be submitted by the Head of the PPVTPP to the Other Business Actor, along with the reasons for the rejection, online through SINAS NK.

Article 37

If the results of the administrative audit as referred to in Article 35 are complete, correct, and valid according to the administrative requirements, the SPP-RK issuance application shall be submitted online by the Head of the PPVTPP to the Director General.

Article 38

- (1) The Director General, as referred to in Article 37, shall assign a work unit of the Directorate General of Animal Husbandry and Animal Health to conduct a technical administrative review.
- (2) The technical administrative review, as referred to in paragraph (1), shall be conducted within a maximum of 5 (five) Days to assess compliance with technical requirements.

Article 39

- (1) If the results of the technical administrative review, as referred to in Article 38, and in accordance with the results of the coordination meeting as referred to in Article 4, prove that the technical requirements are met, the Director General shall:
 - a. issue a SPP-RK; and
 - b. submit it to the Head of the PPVTPP.
- (2) The Head of the PPVTPP, as referred to in paragraph (1) letter b, shall submit the SPP-RK to the Business Actor online through SINAS NK.

Article 40

- (1) If the results of the technical administrative review, as referred to in Article 38, prove that the technical requirements are not met, the application for issuance of the SPP-RK shall be rejected.
- (2) The rejection of the application for issuance of the SPP-RK, as referred to in paragraph (1), shall be submitted to the Business Actor, along with the reasons for the rejection, online through SINAS NK.

Article 41

The SPP-RK as referred to in Article 39 paragraph (1) letter a must contain at least the following data and information:

- a. the number and date of issuance of the SPP-RK;
- b. the name, address of the applicant, and the company address;
- c. the number and date of the application letter;
- d. the country of origin and port of loading of Feed Ingredients of Plant Origin, which can be filled in using multiple entries;
- e. the port of destination, which can be filled in using multiple entries;
- f. the type and quantity of Feed Ingredients of Plant Origin in metric tons (MT);

- g. the tariff post/Harmonized System (HS) code; and
- h. the validity period of the SPP-RK is 1 (one) calendar year.

Paragraph 4

Changes to the Letter of Consideration for Determining the Requirements Plan

Article 42

Changes to the SPP-RK may be made in the event of changes to the identity of the Business Actor, description of the goods, tariff post/Harmonized System (HS) code, quantity, units, country of origin, port of loading, and/or port of destination.

Division Two

Procedures for Obtaining an Export Permit

Article 43

To obtain an Export Permit as referred to in Article 16, Business Actors must submit an Export Permit application for each Export.

Article 44

- (1) To obtain an Export Permit, Business Actors must submit an Export Permit application online to the Director General through the Head of the PPVTPP.
- (2) The Export Permit application as referred to in paragraph (1) must meet the technical and administrative requirements.
- (3) In the event of force majeure and/or system disruptions that result in the online service as referred to in paragraph (1) not functioning, the Export Permit service may be performed manually.

Article 45

- (1) After receiving the application as referred to in Article 44 paragraph (1), the Head of the PPVTPP shall verify the completeness and accuracy of the administrative requirements.
- (2) The verification as referred to in paragraph (1) to check the completeness and accuracy of the administrative requirements shall be carried out within a maximum of 1 (one) day.

Article 46

The results of the verification of the completeness and accuracy of the administrative requirements as referred to in Article stated:

- a. incomplete or incorrect, the application is rejected; or
- b. complete and correct, the application is accepted.

Article 47

A rejected application as referred to in Article 46 letter a shall be submitted by the Head of the PPVTPP to the Business Actor, along with the reasons for the rejection, online.

Article 48

- (1) If the application is accepted as referred to in Article 46 letter b, the Head of the PPVTPP shall submit it online to the Director General.
- (2) After receiving the application as referred to in paragraph (1), the Director General shall conduct a technical requirements review.
- (3) The technical requirements review as referred to in paragraph (2) to verify the compliance and conformity of the technical requirements shall be carried out within a maximum of 3 (three) days.

Article 49

The results of the technical requirements review as referred to in Article 48 stated:

- a. not in compliance or not in conformity, the application shall be revised; or
- b. in compliance or in conformity, the application is accepted.

Article 50

- (1) The revised application as referred to in Article 49 letter a shall be submitted by the Director General to the Business Actor, along with the reasons for the revision, online.
- (2) The Business Actor as referred to in paragraph (1) shall be given three (3) opportunities to revise the requirements within a maximum period of three (3) days.
- (3) Business Actors who have exceeded the time period referred to in paragraph (2) shall be rejected.
- (4) An Export Permit application that has been rejected as referred to in paragraph (3) may be resubmitted by the Business Actor as a new application.

Article 51

- (1) If the application is accepted as referred to in Article 49 letter b, an Export Permit shall be issued by the Director General on behalf of the Minister in the form of a decree.
- (2) The Export Permit as referred to in paragraph (1) shall contain at least:
 - a. the Export Permit number and date of issuance;
 - b. the number and date of the application letter;
 - c. the NIB, name, Taxpayer Identification Number (NPWP), and address of the applicant;
